

*To whom it may concern,*

*I am a senior on my own and needed work doing to update my home for sale after my husband passed away. As everyone does, I checked around for a reliable and honest contractor. A good friend of mine recommended Midas after having work done herself. After being nervous at first I am very pleased to say ,I can highly recommend MIDAS CONSTRUCTION, and of course Angelo, The owner. I was very pleased with all the work done, in fact I too have recommended Angelo to two friends, who have since used his company. This last year I moved into a condo, which of course, needed work to upgrade. Once again, Angelo came to my aid and redid my whole bathroom and kitchen.*

*I have nothing but respect for the way Angelo keeps you up to date and is more than willing to rectify any misunderstandings. I would and will, recommend MIDAS CONSTRUCTION, to anyone.*

*Respectfully,*
